21st ANNIVERSARY WOMEN'S GOLF TOURNAMENT

Women serving the community since 1918

Supporting trade and vocational education is no gamble!

For 21 years, the women of PHILO have come together on the green to raise funds for trade and vocational scholarships for both traditional and nontraditional students. Every dollar raised through the tournament and online auction goes directly to scholarships—an investment that pays off for years to come.

This ladies' golf tournament is all about fun, friendship, and a little friendly competition, with games and surprises on every hole.

Sponsors and volunteers will kick things off with a lively celebration on **Wednesday, June 10**, featuring great food and drinks, a silent auction, and prize drawings—because a little fun is part of the winning hand.
