

Shopping with *Raise Right* Gift Cards, Fall 2023
Friends of Philo are welcome to join this gift card ordering event!
Philo members can login to “Members Only” and print out all forms to use.

Raise Right is a fundraiser for Philo members and community friends that easily gives a rebate from the retailer to the Philo general budget, supporting a variety of Loveland and Berthoud community projects. Purchasing and using the cash cards is an easy way for you to help with those projects, with little time spent and no drain on your budget.

Over the past three years, we have received an average rebate of \$769 per year, with 14 to 16 members participating. These Philo members traded some of their cash for cards to do their own shopping or used cards for gifts. **THINK** how our projects could improve if **thirty or more** Philo members & friends purchased cards!
