

Philo Fundraising Through Raise Right Gift/Cash Card Purchase Event.

The Philo women's organization in Loveland holds a Raise Right fundraising event twice a year, when members and friends purchase gift/cash cards to give to others or use themselves. Rebates from the card retailers and travel businesses are returned to Philo. The sum of rebates is used for philanthropic support to services for individuals and families in Loveland and Berthoud. This fundraising event typically brings in \$1,000 to \$1,500 per year to be used for community needs.

The event is open to participation by the public as well as Philo members. The Spring event will begin March of 2024, with purchased cards distributed in early May.

Anyone interested in purchasing gift/cash cards through Philo's fundraising event can go to www.raiseright.com to preview the over 600 retailers/travel sources to make your choice. Note that you are able to purchase Visa cash cards that require no activation fee and make great gifts. Please contact Jeanne Findley Jeanne.findley@gmail.com to learn more about the procedures and timing of the next purchase event.

Thank You!
