February 20, 2022

Dear Community Member,

On July 15, 2022 Philo will hold our 17th Annual Women's Amateur Golf Tournament. The proceeds from this event fund our annual scholarship program and we are asking for your help.

One of the primary goals is to provide need-based scholarships for Loveland/Berthoud area students and adults pursuing Associate Degrees or technical skill trade certifications. Over the last 16 years we have distributed approximately \$200,000 to over 150 recipients. Perhaps one of your colleagues or employees have received a Philo scholarship or could qualify for a future scholarship.

In order to continue this much needed community program, generous prize donations from our local businesses and residents are vital. Prize donations are awarded at our luncheon for golf participants. This is one of the major reasons golfers register for this tournament. This year the Double Eagle sponsorship option allows you to have a presence at the tournament by having a table with marketing materials at one of the tee boxes on the course.

Please take this opportunity to support this valuable community effort – providing need-based scholarships for non-traditional students.

Thank you for your help in making a difference!

Sincerely,

Beth Soderquist
Golf Tournament Chairperson
