

SETTING UP A SMILE ACCOUNT WITH AMAZON THAT BENEFITS PHILO

The Smile.Amazon charitable arm of Amazon donates 0.5% of your total purchase to a 501c3 charity of your choice. (That's 50 cents rebate on a \$100 purchase.) We hope you choose to set up Philo to receive the funds from the Amazon corporation. This is an easy way to help the Philo General Fund without asking members for any personal donations.

When you shop at Amazon, simply go to www.smile.amazon.com on your web browser. You should see AmazonSmile along the menu row at the top of your screen. By clicking there you will see how to join AmazonSmile and choose *Philomatheon Club of Loveland Colorado*. If you are already supporting another nonprofit, you can click on *Supporting* and choose *Change* to search for and select our name. Bookmark the smile.amazon website so you're always in the right place.

If you shop using your iOS or Android phone, you'll search for the smile.amazon app and download it. You'll also need to activate AmazonSmile in the Amazon Shopping app, with your information. Follow the directions for "How to turn on AmazonSmile in the mobile app." When shopping, always check for the AmazonSmile logo to make sure you're in the right place.

Amazon keeps track of all donations, but our organization does not know the names of the donors. However, you will be able to see how many purchases you've made that have counted toward the corporate donation. Keep in mind that Philo receives fifty cents for each \$100 that you spend. Philo will receive an electronic funds transfer approximately 6 weeks after the end of a calendar quarter. It's EASY for everyone concerned.

THANK YOU FOR PARTICIPATING!
