Dear Community Member,

On July 14, 2023 Philo will hold our 18th Annual Women's Amateur Golf Tournament. The proceeds from this event fund our annual scholarship program and we are asking for your help.

One of the primary goals is to provide need-based scholarships for Loveland/Berthoud area students and adults pursuing Associate Degrees or technical skill trade certifications. Over the last 17 years we have distributed approximately \$211,000 to over 155 recipients. Perhaps one of your colleagues or employees have received a Philo scholarship or could qualify for a future scholarship.

In order to continue this much needed community program, the \$1000 Hole Sponsorship allows you to have a presence at the tournament by having a table with marketing materials at one of the tee boxes on the course. You are also welcome to have a foursome play at the reduced rate of \$400. Additionally other sponsorships are available. The enclosed brochure has all the details.

Please take this opportunity to support this valuable community effort – providing need-based scholarships for non-traditional students.

Thank you for your help in making a difference!

Sincerely,

Beth Soderquist
Golf Tournament Chairperson
